Blanca Ruiz Conot

MVN Foundation Board -Secretary

MVProShop - Prinicpal

I am currently serving as the Mission Viejo Nadadores Foundation Secretary and proud owner of MVProShop.

My career as a parent volunteer began shortly after our daughter Zola entered kindergarten - serving as PTA treasurer, fundraiser and auditor. It was during my time as the PTA Auditor for Newhart Middle School when volunteering for the Nadadores became a big part of our lives.

While diving began as a summer activity, Zola quickly grew to love the sport and continued to be a diver at UC Davis where she is currently a senior. From organizing auction events at dive meets, to serving as Dive Committee Treasurer, to acting as an MVN Board Member, to currently working as Secretary of the Nadadores Foundation, I have been proudly serving this team for over 13 years in various capacities.

I met my wonderful husband (the local lollipop distributor) of 25 years at Pepperdine and we both graduated with MBA degrees in 1995. We are currently getting used to being empty nesters as we dropped off our youngest, Zita, a former gymnast, at UCI this fall.

The Nadadores Dive program has helped my daughter Zola to become a strong young woman, both inside and out. This experience has taught her to value hard work, how to be part of a team, how to handle disappointment with grace and to persevere and never give up. I want my children to see me working hard to make this world a better place and actions speak louder than words.

I believe with my experience, proven results, skills, love for the team and *WITH YOUR VOTE*, together, we can strengthen and promote the cause of our Naddaores program.

Thank you for your consideration.
